

**AISI III**  
**“WORKING COLLABORATIVELY**  
**TO MAXIMIZE STUDENT LEARNING”**

**Goal** – Maintain or Improve Student Learning in All Subject Areas.

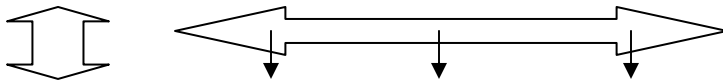

“Give to students equal opportunities to show what they know”

**Measure** – Through the use of PLC’s, each group will develop **Curriculum Mapping** (establish clear learning outcomes), **SMART goal** in regards to a curriculum objective that is an area of need, and **Common Assessment**. Allow staff to have opportunities to learn and utilize best practices and have the resources to do so through **Professional Development** and **Resource Attainment**. Establish creative ways to ensure students are supported in their learning in the **home environment**.

Subject Area Meetings –

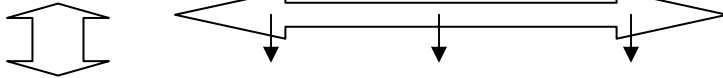

**LANGUAGE ARTS**

Lead Teacher - Grade Seven - Grade Eight - Grade Nine

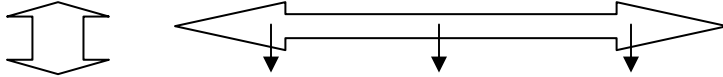

**MATHEMATICS**

Lead Teacher - Grade Seven - Grade Eight - Grade Nine

**SCIENCE**

Lead Teacher - Grade Seven - Grade Eight - Grade Nine

**SOCIAL STUDIES**

Lead Teacher - Grade Seven - Grade Eight - Grade Nine
